

Keystone First

Vision Care

Vision Benefit Administrator

Keystone First's routine vision benefit is administered through Davis Vision. Inquiries regarding routine eye care and eyewear should be directed to the Davis Vision Provider Relations Department at **1-800-773-2847** or you may want to visit the Web site at www.davisvision.com. Practitioners who are not part of the vision Network can call Davis Vision's Professional Affairs Department at **1-800-933-9371** for general inquiries. Medical treatment of eye disease is covered directly by Keystone First. These inquiries should be directed to Keystone First's Provider Services Department at **1-800-521-6007**.

Corrective Lenses for Children (Younger Than 21 Years of Age):

Members younger than 21 years of age are eligible for routine eye examinations once every calendar year, or more often if Medically Necessary. No referrals are needed for routine eye exams. Members are also eligible to receive two pairs of prescription eyeglasses, every 12 months, or more often if Medically Necessary. Members younger than 21 years of age are also eligible to get prescription contact lenses.

If the prescription eyeglasses are lost, stolen or broken, Keystone First will pay for them to be replaced, if approved. Please contact Davis Vision's Provider Relations Department at **1-800-773-2847** to obtain an approval. Lost, stolen or broken prescription contact lenses will be replaced with prescription eyeglasses.

- Members may choose from two select groups of eyeglass frames at no charge; or
- They may choose from a select group of premier eyeglass frames for a co-payment of \$25.00; or
- They may choose eyeglass frames that are not part of the select groups and Keystone First will pay a portion of the cost, up to \$40.00, whichever is less.
- If prescription contact lenses are chosen, Keystone First will pay for the cost of the prescription lenses or \$75.00, whichever is less.

There are special provisions for Members with aphakia or cataracts. Please refer to "Eye Care Special Provisions" Topic (below) in this Section of the Manual.

Eye Care Benefits for Adults (21 Years of Age and Older):

Routine eye exams are covered once every calendar year. No referral is needed for the first routine eye exam, but a co-pay may be applicable. Members may receive up to three additional eye exams if the eye doctor completes a form. Keystone First does not cover prescription eyeglasses or prescription contact lenses for Members 21 years of age and older with the exception that there are special provisions for Members with aphakia or cataracts. These Eye Care Special Provisions are:

- If a Member has aphakia, he or she may receive prescription eyeglasses or prescription contact lenses. The full cost of the prescription contact lenses will be covered at no cost.
- If the Member has cataracts, he or she may receive prescription eyeglasses.

Keystone First recognizes that optometrists are able to provide all services within the scope of their practice that are covered by the Pennsylvania Medical Assistance program, including

Keystone First

benefit limits, category of aid restrictions as determined by Keystone First. Optometrists may provide the following services:

- Evaluation and Management services
- General Optometry services (eye exams)
- The administration and prescription of drugs approved by the Secretary of Health

Members may self-refer for one routine eye exam per year. Keystone First covers therapeutic optometry services through Davis Vision (unless the optometrist is in an Ophthalmology group that bills through the Keystone First claims process). Contact Davis Vision at 1-800-773-2847 for questions regarding covered services and prior authorization requirements.
